TXA00212CA | Targus CleanVu™ Cleaning Pads for iPad® (3-Pack)

The Targus CleanVu™ Cleaning Pads for iPad offer an ideal way to effectively remove fingerprints and residue from the screen without using a cleaning solution. The reusable wipe is sized perfectly for the iPad and features a durable faux leather backing with built-in handle for easy use. The cleaning pad material is made of soft, scratch-resistant faux suede that is safe to use on the screen. CleanVu cleaning pads can also be used in conjunction with the Targus Zierra Case/Stand for iPad which actually stores inside of the iPad case. Compact for easy travel, CleanVu pads are a simple and effective screen wipe for iPads and most touchscreen tablet devices. One package includes two pads in black and one in red.

Works with the iPad and most touchscreen tablet devices
